

## TOWN OF SAUKVILLE SURVEY

# Your Opinion Matters!

The Town of Saukville's Comprehensive Plan is an important document that helps to guide the Town's future development for the next 10-20 years. As part of the Town's efforts to update the Comprehensive Plan over the next 12-14 months, a survey was developed to get input from our citizens on ideas related to housing, land use, transportation, community facilities, economic development, intergovernmental cooperation, and the environment.

Please encourage your neighbors, local business owners, and other residents to take it as well.

Survey Available Between:  
**October 24, 2022 and
